COUNTY SCHOOL NOTES

The county spelling contest Saturday, April 10, at Raven school was very largely attended. It was easily the best contest in the history of the county spelling contest. In grades 3, 4, 5 and 6 it was a battle royal for the pennants. The standing was as follows:

In grade 3, Grace Good, Girl Linn; Virginia Doyle, Canfield; Helen Hurdman, Lowellville; Sarah Moore, Springfield, tied with 100 per cent. In spelling off this tie Grace Good made 98 per cent, Helen Hurdman 98 per cent, Sarah Moore 95 per cent and Virginia Doyle 100 per cent. Virginia Doyle, Canfield, teacher, Mrs. Fred D. Myers, therefore won the county pennant for her grade.

In grade 4, Beatrice McMillen, North Jackson; William Middleton, Milton; Thomas Philbin, Lyon's Plat; Christian Singer, Boardman; Ralph Wright, Lowellville, each tied with a score of 100 per cent. In spelling off this tie Thomas Philbin made 95 per cent, Wm. Middleton 95, Beatrice McMillen 95, Christian Singer 90 and Ralph Wright 100 per cent. Ralph Wright, Lowellville, teacher, Miss Emma Seaborn, became the county winner for grade 4.

In grade 5, Eleanor Delfs, Canfield; Charles Shaner, Coatsville; Mildred Coburn, Greenford; each tied with a score of 100 per cent. In spelling off this tie Charles Shaner made 90, Eleanor Delfs 100 and Mildred Coburn 100 per cent. With the third set of words, which was a pretty hard one, Mildred Coburn made a score of 55 per cent and Eleanor Delfs 65 per cent. Eleanor Delfs, Canfield, teacher, Miss Grace Burkey, became the winner for grade 5.

In grade 6, Truesdale Mayers, Poland; Bertha Bush, Greenford; Rose Zenn, Lyon's Plat; Hazel Baker, Lyon's Plat; each made a score of 100 per cent. In spelling off the tie Hazel Baker made 85, Bertha Bush 80, Rose Zenn 90 and Truesdale Mayers 95 per cent. Truesdale Mayers, Poland village, teacher Mary L. Campbell, carried off the county pennant for grade 6.

In grade 7, where 100 words were used, Orville Hissom of Poland village won the pennant in the first list of words with a score of 93 per cent. Orville's teacher, Pauline Good.

In the high school, where 100 words were used, Gilbert Delfs, of Canfield, won the pennant with a score of 95 per cent.

It is interesting to note that Eleanor Delfs, Canfield; Truesdale Mayers, Poland village and Gilbert Delfs, Canfield, were winners in the county contest last year.

This marks the conclusion of the county spelling contest which ran during all of the school year except the first month. The contest was better and never was the spelling quite so good. The teachers and pupils are to be congratulated for the splendid records made during the five months of the county contest. The summary for the fifth month shows that the average per cent. made was 86.16; that 189 words were spelled; that 251 did not miss a single word during the five months of the contest; that 1167 did not miss during the fifth month and that there were 3414 children who spelled.

As announced in this column last week, the date for the county track and field meet has been set for Friday, May 14. The list of events will be published in a short time.

Friday, April 16, there will be a district gold medal contest by the elementary schools at Damascus. Smith, Green and Beloit village will contest. Green and Beloit village will contest.

Friday evening, April 23, the class of the Mahoning county normal school of Canfield, will give a class play entitled "Who's Who?" The play is written by the members of the class and portrays teacher and school activities as well as setting up educational standards. Through the courtesy of the directors of the County, an invitation is extended to all the teachers of the county district to attend and arrangements have been made to reserve a seat for all teachers and members of boards of education who will report to Mrs. Conry not later than April 21.

The county board of education will hold its next regular meeting in their office Saturday, April 17, at 1 P. M.

Big Firm Celebrating 45th Anniversary

ISAAC STROUSS

The Strouss-Hirschberg Co., Youngstown, is celebrating the 45th anniversary of the establishment of its business which has reached immense proportions, built up by fair, square dealing. The founders, I. Strouss and B. Hirschberg, are still active in the big store and it is always a pleasure to

BERNARD HIRSCHBERG

meet and greet them. Last Saturday night at the Ohio Hotel the firm banqueted its 500 employees, I. G. Goldsmith, the genial manager of the store, acting as toastmaster, and the affair was a most pleasurable one. To commemorate the 45th anniversary special sales of great attractiveness are in progress at the store.

WEST AUSTINTOWN

April 14.—Ross O'Rourke and Geo. Anderson were in Canfield last Saturday.

F. J. Ohi, who has had trouble with his eyes, has entirely recovered. Something out of the ordinary to see a man with a cookie in one hand and a glass of milk in the other helping to right an automobile which had been ditched in front of the home of R. O'Rourke. But stranger things will happen on April first.

We see by your Turner Street correspondent that the frogs sang on April first. Well, now, wasn't that croaking good?

Mr. and Mrs. Chauncey Hood of Youngstown spent last Sunday with Mrs. C. H. Anderson.

Prof. Willis Wingert was in Youngstown last Saturday.

The best way to keep people from bothering you is to pay them a good long visit once in a while. Your correspondent tried that with a Canfield citizen and he has never seen him since.

Harold O'Rourke, who has been suffering with tonsillitis, is able to sit up.

Mrs. Wilson of Youngstown is visiting her daughter Mrs. W. J. Knight.

Prof. J. A. Eschliman spent last Saturday and Sunday at the home of his parents in Dalton, O. He brought a new sedan back with him and says he wants to haul a crowd—don't want to disappoint any one.

YOUNGSTOWN

It is surely going some when dealers pull down \$7.20 a bushel for potatoes. After a secret meeting of the board of education last week it became known that Dr. N. H. Chaney, superintendent of city schools for 18 years, was retiring. His work closes with the present school year but he has been elected superintendent emeritus for another year at his present salary, \$6,500. No successor has yet been named.

State Senator H. P. McCoy resigned as school principal to accept the assistant secretaryship of the Federal Savings and Loan Co.

Using an auto truck, chicken thieves made a raid in Portage county and brought to this city 175 fowls that the police found were the raiders.

On account of the paper shortage and the freight embargo, due to striking railroads, the local papers are confining issues to 16 pages, restricting advertisers to 40% of their usual space, an order of things that will continue until further notice. The print paper situation is much more serious than most people imagine.

The community Chest Fund has reached about \$275,000.

Confidence men find plenty of suckers in this city. It is surprising how many people there are who expect to get something for nothing.

Hundreds of tax returns are being received at the county auditor's office.
